Luglock®

Product: Luglock® Yellow
Product Code: LLY331028575

Function: The Luglock® combines a retainer and a protective cap in the form of a ring. It provides a retaining function for the wheel nuts and protects them from external elements such as water, dirt, road salts and rust. Luglock® is specifically designed for American wheel pitch circle diameter (PCDs).

Material: UV stable, lightweight polymer.

Operating temperature:

From -40°C to +120°C

Application: Mainly for commercial vehicles, such as trucks and buses.

Main benefits: Improves the safety of nut fittings. Enables quick and easy visual checks and monitoring. Reduces maintenance costs by saving time and money. Helps retain wheel nuts in place. Safe for pedestrians and cyclists.

Sizes: Currently only 33mm for PCD 285,75mm

Colour: Other colours are available subject to quantity.

Specifications

A = 53.5 mm

B = 61.5 mm

SPECIFICATIONS ARE VALID FOR ALL COLOURS IN THIS SIZE
