120200 & 120205

relay emergency valves

- Less expensive but delivers similar performance to Sealco's well known 110200 & 110205 relay emergency valves
- Only 2 ½ lbs. due to aluminum casting & small size
- Serviceable with 120143 Plug Unit & 110162 Spool Assembly
- Easy to install, excellent performance, reliable & Sealco brand are all good reasons to use these new valves
